PRESIDENT SAYS MONEY SHOOT A SUCCESS

This was a new event and it was a success. We held our first Caboolture Money Shoot in place of the Turkey Shoot on the 16 and 17th May. It was organized as a teams event with actual teams picked on the day from a hat.

The feed back from the shooters was very positive. We had the top 5 teams from the weekend competing for the money in the shoot off. In the end this shoot turned out to be great fun for all those that attended.

"Team huddles" (group distance estimating) helped shooters estimate distances by comparing their estimated distances with other team members, thereby eliminating any error (in theory). Probably the most innovative aspect of this shoot was the fact that teams were made up of archers from any discipline.

We hope that all the competitors had a good time and we hope to get some feedback from everyone so we might improve this concept and hopefully jump all the politics and get all archers in any discipline to compete and enjoy a fun social event together and maybe even be lucky enough to win some money to pay for your day.

A special thanks to Mark for organizing this event and to all the Caboolture Club members who turned up to give it a go. Dennis

AGM

Our Annual General Meeting will be held on Sunday 28th June 2009 at the Caboolture club house. We hope that you will come along to show your support and have your say. This is your opportunity to find out what's going on in your club. As usual, all positions will be become vacant and any current member can nominate for any position if they wish.

Nominations may be sent to The Secretary, PO Box 616, Caboolture 4510 or, can be made from the floor on the day.

As is usual, a General Meeting will be held after the AGM to discuss any of the day to day aspects of the club. If you have any agenda items please call Stephen Smith so that he can have them added to the agenda.

WORKING BEE MURRENBONG

With the Murrenbong Series Re-Shoot being held on the weekend of the **20th and 21st of June**, we will be having a working bee

at the Murrenbong grounds on the weekend before (13th and 14th June). For those of you that have helped us out before you will know that a lot of hard work goes into setting up for this event. If you can give some of your time to help it will be very much appreciated. If you can spare any amount of time please give Dennis a call on 5498 7123. Once we know how many helpers we have we can work out what needs to be done and will allocate jobs.

NEW CLUB TEE SHIRTS

We wish to advise that the new club Tee Shirts have been ordered and we will receive them in a week or two. Shirts are \$45 each and are of high quality and will give long wear. The feed back about the new design has been very positive and we will be putting together another order soon, so please let Dennis, Steve or Cathy know how many you will need. We need at least 20 shirts before we can place a new order.

MEMBERSHIPS

Memberships are coming in a little slower than expected this year. If you have not renewed your membership yet please do so. There is a reminder

enclosed with this newsletter. You will have to renew your membership to the Caboolture and District Bowmen to continue to receive this newsletter.

STATE OF ORIGIN

It looks as though Caboolture will be well represented at the annual State of Origin Shoot at Casino this long weekend with several members and families making the trip into cockroach territory. This a keenly contested shoot with the honour of the state at stake. It's also a fun weekend with great facilities and well set out course. There's plenty of room for on site camping with top meals available all weekend. Being on a long weekend there's plenty of time to travel back on Monday. So if you're new or old to 3D you can't miss this shoot.

TRAD SHOOT

Our annual Traditional Corral is scheduled to be held on 15th and 16th August this year. It is a major event on the Traditional Archery Calendar and usually well attended by traditional archers from all over Queensland with many travelling up from New South Wales as well. Unfortunately, Gary has advised that he is unable to run the shoot this year, so we are asking for volunteers to come forward to help organize and run this event. If you can take on the role of trad shoot co-ordinator or if you can help in any way, please let the committee know sooner rather than later, as the more time we have to prepare the better the shoot will be.

IPSWICH SERIES

The Ipswich Qld Series shoot was held on the May long weekend with Club Caboolture well represented and bringing home some handy trophies. For a small club Ipswich did a great job with their ranges and the weather conditions couldn't have been better. Trophy winners for the club were:

IPSWICH RESULTS

- Emily Ferguson Cub Female 1st
- Jayden Callon Cub Aided 1st
- Darcy Malone Cub Unaided 1st
- Ian Ferguson AHC 2nd
- Lorraine Reynolds FBU 3rd
- Dale Marsh Trad 2nd
- Luis Bond CU 1st
- Dwayne Callon MBF 1st
- Stephen Smith MBF 3rd
- Elva Smith FBR 2nd
- Mark Wilcher MBR 3rd
- Chris Smith MBR 1st
- Matt Ryan MBO 2nd

Congratulations to everyone for a fine effort.

NEW GENESIS BOW PURCHASED

The club has purchased a new Genesis bow that will be available for younger members. These bows are great for new archers and are very forgiving as well as can "grow" with the child giving long serviceability.

FLOOD DAMAGE

Due to damage caused by the heavy rain and flooding along the creek a working bee will be held to repair some of the damage to ranges, butts and the driveway. Many of the clubs older members said that in the 20 year history of the club they have never seen the creek run as high as it did recently. It certainly did run high with 2 butts being washed down stream and logs and dead trees being moved as well. A date for the working bee will be advised after the AGM. Your help will be appreciated. Remember that many hands make light work.

TOILET KEYS

Although the gate keys were supposed to also work in the toilet doors some of the older keys are giving a bit of trouble. If you have a key that won't open the toilet doors let Steve Smith know and he will make the "fix" which will allow the key to work OK.

The Money Shoot. The boys at play. The pre-shot distance "huddle" payed off for this team. Nice group guys.
