## WELCOME

Firstly I must apologize for not putting together a newsletter for April. I had family visiting from the UK for my brothers wedding, and despite my best intentions, I just never had a chance to sit and write a newsletter. So I now have 2 months worth of news to catch up on and a few notices for you all as well. So let's get on with it shall we...

## MEMBERSHIPS

Just a quick reminder that all club memberships were due on April 1<sup>st</sup>. You should have received a membership renewal form in the mail by now. If you haven't, please contact Stephen Smith to get one. Anybody not renewing this year MUST hand in their gate key please.

One thing that came up at Murrenbong is 3DAAA Membership. With the changes to the payment of membership fees (12 months from date of payment rather than all due on January 1<sup>st</sup>), many of us are not checking when our fees are due. Please make sure you check your 3DAAA Membership card to see when it expires and remember to renew it ASAP. With no 3DAAA membership you are not covered by insurance and therefore cannot shoot at any 3D club.

## 15<sup>TH</sup> MARCH – OPEN DAY

Thank you to everyone who turned up to help out on the open day that we held in March. It was great to see so many of our members there willing to show newcomers our sport and our club. It wasn't as big as we'd hoped, but we think the weather kept a few people away, as it just poured down early in the morning. However, those who did come were still there long after the open day had ended and we got a few new memberships on the day.

Thanks also to the guys who set the ranges for the SE QLD Invitational shoot during the course of the day and to those who stayed for the general meeting. A number of things were discussed at the meeting, including the Murrenbong shoot, Progress of new grounds, progress of toilet blocks and a tree planting day. I did take some notes, but unfortunately I can't seem to find them now, so if you want further details please contact Stephen Smith who will have minutes of the meeting available.

## WEBSITE

As some of you have noticed our website has been out of action for quite some time. This was due to circumstances beyond our control

and we do apologize for any inconvenience it may have caused. The good news is that we have got the website up and running again with a new server and we should not have any further problems. This does however mean a change of address, which is now <http://www.caboolturebowmen.com.au>. We would just like to take this opportunity to thank Noel Traynor our IT guy, who does a lot of work for us on this website. We'd be lost without him, so thank you Noel.

## DONATIONS

If you are able to donate any old clothes to the club, it would be greatly appreciated. As you probably know we use these to repack the practice butts and we're always in need of them. So if you are having a sort out as the winter chill hits us, please spare us a thought before you throw old clothes in the bin.

Also if you have any old arrows at home that you no longer shoot and don't need, the club would really appreciate them. As you can imagine with beginners coming along to try the sport, arrows do get lost and need to be replaced, which can be quite costly. Timber, carbon or aluminum, it doesn't matter. Contact Steve or Dennis for more info.

## NEW MEMBERS

We'd just like to take this opportunity to welcome all of our new members to the club, and to thank you for attending the club shoot on April 20<sup>th</sup>. We hope to see you at the club again soon and we hope you enjoy your time at the club with us.

## WORKING BEE

A working bee is to be held this Saturday 10<sup>th</sup> May, so if you are free to lend a hand please come along. We want to make sure the grounds are tidy for the Turkey shoot and we also have some target repairs to be done for the turkey shoot. Many hands make light work and it really would be appreciated.

## AGM

Yes it's that's time of year again! Our annual AGM will be held on May 31<sup>st</sup> at 10AM. We hope that you will come along to show your support and have your say. As usual all positions will become vacant, and any nominations should be sent to Stephen Smith (PO Box 616, Caboolture, QLD 4510) by May 27<sup>th</sup>. A general meeting will be held after the AGM and again if you have anything to add to the agenda please contact Stephen Smith.

## SE QLD INVITATIONAL SERIES

March 16<sup>th</sup> was the date for the first of the SE QLD Invitational shoots this year and this was held at our club. The boys set some fabulous courses and as always Cathy put on some delicious food for lunch. 53 archers entered the competition and Caboolture faired quite well with 13 out of 19 of our guys and girls taking home a medallion. The results like last year, will remain as secretive as possible until the final, but well done to everyone who entered from our club.

The next round of the SE QLD Invitational will be held at the Hinterland Club on May 25<sup>th</sup> and we hope to see many of our club members there. Hinterland is a force to be reckoned with this year and it would be great if we could match them.

## QLD STATE TITLES -MURRENBONG

What a fantastic weekend!! The weather was glorious and the event went off without a hitch! All the preparation that goes into an event like this is worth it when things go so well. Thanks again to everyone who helped out on the weekend, from the girls in the canteen, to the boys setting the ranges, we couldn't have done it without you all. Special thanks also to Mark Wilcher who made up all the practice butts for the shoot. Top effort Mark and greatly appreciated by all.

100 archers attended the event, including Ross Strooper who came all the way from Cairns just to attend our shoot. Ross didn't place in his hotly contended division, so as a memento of his trip, the club gave him a Caboolture Bowmen pin to take home with him.

Although I personally didn't get to see the courses (too busy with registrations, and scoring) I believe they were awesome and just as challenging as the previous year. The boys again did us proud with not a single 100 being shot all weekend! Our courses just go to prove that the shots don't have to be long to be difficult. Careful placement of the targets, angles and hidden ground made for some really challenging shots. Actually, on average the scores were low across the board with the cut off for the top 10 as low as 260 (out of 300) and the highest score for the weekend a 463 (out of 500).

Congratulations to all of our club members with 12 out of 23 collecting a trophy in their respective division. Quite a few others just missed out on a trophy too, but I'm sure they'll get them next time! The results for our club members are:

Margie Popovic – 3<sup>rd</sup> FBO  
Chris Smith – 2<sup>nd</sup> MBR  
Mark Wilcher – 4<sup>th</sup> MBR  
Dennis Malone – 8<sup>th</sup> MBR  
John Warburton – 9<sup>th</sup> MBR  
Elva Smith – 2<sup>nd</sup> FBR

Jayden & Darcy proudly accept their trophies at Murrenbong

Congratulations also go to our club members who made it into the Top 10...Dale Marsh, Lorraine Reynolds & Chris Smith. The winners of the Top 10 were Gavin Brown and Jared Moore.

Once the shooting was finished it was time for presentations and the birthday cake. This year is the club's 20<sup>th</sup> anniversary, so a large birthday cake was organized to share and was cut by the current committee. Neil Digweed very kindly gave an introduction and a run down on the history of the club from day one to the present day. Thanks for that Neil. The last thing on the agenda was the raffle and Stephen had again managed to get some great prizes from some sponsors. The big prize of the weekend though was a 66cm LCD TV with inbuilt DVD Player, which was donated by Stephen himself. The TV was won by Mark Wilcher's daughter Leanne. She had just moved out of home into a place of her own, so will be a very welcome addition to her house.

## ABA NATIONALS

Back in March the ABA Nationals were held in Hervey Bay and a couple of our club members attended this event. While we are a 3DAAA club, I think it is only fitting that we mention how well the guys did, because it is after all...archery! So well done to:

Lorraine Reynolds got 2<sup>nd</sup> place in the ABA Championships and 3D Championships in Ladies Recurve C Grade.

Dale Marsh got 1<sup>st</sup> place in the ABA Championships and 3D Championships in Mens Longbow D Grade.

Al Alcorn, who got 1<sup>st</sup> place in the ABA Championships and 3D Championships in Mens Veterans Sighted Division.

Neil Digweed who got 2<sup>nd</sup> place in the ABA Championships and 3D Championships in Mens Veterans Sighted Division, and 1<sup>st</sup> place in the IFAA Championships in Veteran Mens Freestyle Unlimited.

Don Honey got 1<sup>st</sup> in Veteran Mens Bowhunter Unlimited and Peter Popovic came 8<sup>th</sup> in Veteran Mens Freestyle Unlimited in the IFAA Championships. Well done to you all.

Neil Digweed at the ABA Nationals

### QLD SERIES - IPSWICH

This past weekend was the Ipswich Classic, part of the QLD Series on the 3DAAA calendar. Again we had some gorgeous weather, with bright sunny days but unfortunately we were greeted by some terrible news on Saturday morning. One of our members Gary Abbott was involved in a bad accident on the way to the shoot. Gary is ok, but suffered injuries to his neck and is very sore. After seeing his truck though, he is a very lucky man! Gary on behalf of everyone at Caboolture Bowmen, we wish you a speedy recovery from your injuries and hope to see you back in the game soon.

I know Gary was very disappointed to miss the shoot but perhaps if he'd seen some of the targets he may not have been so keen. Typical for Ipswich the targets were "out there", with the majority of targets from the green peg being 40 yards plus. This shoot was not for the faint hearted or the beginner. Again the scores were quite low with the only 100's being shot by Codaey Brown in the CUB Aided division. Some of the targets were really well set out though and one range was very clever with two targets, but only one to be shot. For example the crocodile that was about to eat the carp (fish), and the leopard that was facing up to the baboon.

Just 11 Caboolture members shot on the weekend out of 100 archers who attended. Out of those 11 there were 7 Caboolture members who took home a trophy. Congratulations to everyone though, as it certainly was not easy to get a high score on those courses. A full list of scores is including over the page but here is a list of our members and how they did:

- Mark Wilcher - 2<sup>nd</sup> MBR
- Chris Smith - 3<sup>rd</sup> MBR
- Elva Smith - 1<sup>st</sup> FBR
- Mary Porter - 5<sup>th</sup> FBR
- Melinda Smith - 6<sup>th</sup> FBR
- Dwayne Callon - 1<sup>st</sup> MBF
- Stephen Smith - 3<sup>rd</sup> MBF
- Lorraine Reynolds - 4<sup>th</sup> FBU
- Dale Marsh - 4<sup>th</sup> RU
- Adrian Smith - 1<sup>st</sup> YMR 15-17yrs
- Jayden Callon - 1<sup>st</sup> CUB-U

The guys at Ipswich also put on a novelty event, using a coyote target with a steel 8 zone, leaving the 10 zone exposed. To qualify you had to shoot a flouro dot on a deer target, and then the coyote was moved back at various distances until just one shooter could hit the 10 zone. This was lots of fun, but caused lots of arrow carnage, so using your worst

arrow was advisable. The winner was James Smedley, with a fantastic shot at about 55 yards in the adults sighted division. Our own Adrian Smith won the barebow/youth division, which was basically a walk in the park for him at about 30 yards.

Only one Caboolture member made it into the Top 10 and that was Dale Marsh in the unsighted top 10, which was won by Rachel Clarke. Rachel had a slight advantage being left handed as everyone who was right handed had the sun in their eyes, but she pulled off a great shot to take the win. The sighted Top 10 was won by Brian Baker.

The teams' event was won by our boys as well. Team Caboolture consisting of Adrian, Dwayne Callon and Chris Smith beat Ipswich by just a few points.

### TURKEY SHOOT

The next shoot on our calendar is our own Turkey Shoot. This is a great fun event not to be missed! If you are afraid of shooting turkeys then this is the shoot for you, because you won't be afraid of them after shooting 50 of them!! That's right we'll have 25 turkeys out on Saturday and 25 on Sunday and there will be turkey score zones you may never have seen before. If you don't want to come and shoot then why not just come for a look, stay for dinner on Saturday night and get a feel for the shoot and the club. If there is enough interest Cathy will do a roast turkey dinner on Saturday night, so be sure to let her know (Ph: 5498 7123) if you are interested in that. As well as the targets we'll also run our usual Best of the Best competition and there will be some spectacular trophies up for grabs for all the usual divisions.

So why not come along and join in the fun!!
